AHA  
Exfoliating  
Cleanser

140ml

**Ingredients**

Water (Aqua), Decyl Glucoside, Ammonium Lauryl Sulfate, Cocamidopropyl Betaine, Glycolic Acid, Sodium Lauroyl Sarcosinate, Rosmarinus Officinalis (Rosemary) Leaf Oil, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben.

Deep cleaning foaming cleanser with a gentle 7.5% glycolic acid exfoliating action to leave face and body refreshed.

**Key Ingredient:**

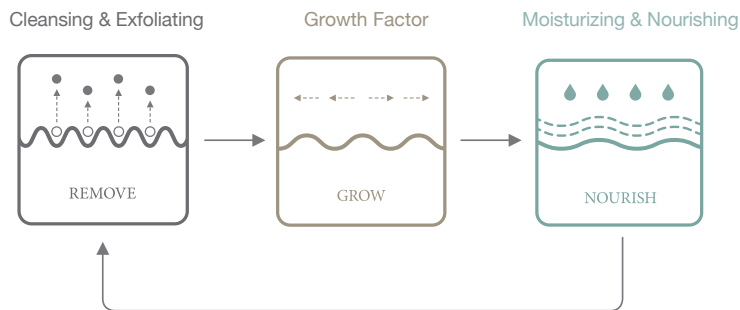

- Glycolic Acid 7.5%

**Key Benefits:**

- Eliminates excessive cellular buildup
- Removes debris from clogged pores
- Excellent for pseudo-folliculitis barbae and keratosis pilaris
- For face and body
- Conditions skin
- Non-irritating
- Non-comedogenic
- Hypo-allergenic
- Cruelty-free

**Directions:**

Emulsify a small amount with fingers and gently massage onto wet skin, or lather onto wet skin with sponge or washcloth. Rinse thoroughly. Use morning and night or as directed by a physician on entire face and body, avoiding the eye area.
