

## N12\_Vitamin C Vital Cream

### Ingredients

Water (Aqua), Tetrahexyldecyl Ascorbate (Vitamin C Ester), Cetearyl Alcohol, Ceteareth 20, Cyclomethicone, Butylene Glycol, Glycerin, Prunus Armeniaca (Apricot) Kernel Oil, C12-15 Alkyl Benzoate, Saccharide Isomerate, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben.

RGN N12 cream that addresses the signs associated with aging and photo-aged skin to brighten, tone, and firm.

### Key Ingredient:

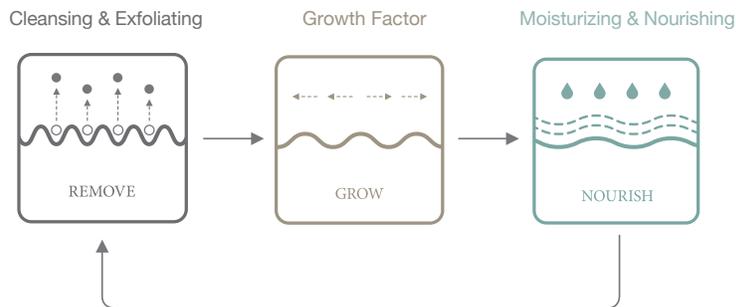

- Tetrahexyldecyl Ascorbate (Vitamin C Ester)

### Key Benefits:

- Tetrahexyldecyl ascorbate is a highly stable, non-aqueous form of vitamin C that easily penetrates skin and delivers pure vitamin C 50 times more effectively than ascorbic acid
- Helps enhance collagen formation
- Improves skin elasticity
- Neutralizes free radicals
- Anti-inflammatory and soothing effect helps relieve sun-damaged skin
- Helps to lighten the appearance of age and sun spots
- Inhibits the formation of hyperpigmentation
- Non-greasy
- Non-comedogenic
- Hypo-allergenic
- Fragrance-free
- Cruelty-free

### Directions:

Apply liberally and gently massage onto skin. Use morning and/or night on entire face, neck, and chest.
